THE GENERAL CONFERENCE MENNONITE CHURCH

FOREWORD

The 1955 Handbook of Information contains the usual information as of other years. In addition to that there are a few innovations and features which have not appeared in former issues.

This year we have attempted a classification of ministers who were formerly listed under the category of "Ministers Without Charge." For some time we have felt that it was not accurate nor quite fair to list certain ministers without a charge, when in reality they were charged with as great a responsibility and work as those who were serving particular congregations.

To classify ministers into these categories is not a simple matter. It is often not too evident where to draw the line between ministers who have retired and those who may temporarily be without a charge, but would be in a position to accept a charge if a call came to them. Nor can we know the mind of each individual minister or his exact status. If you are one of these ministers and for any reason you feel that your name is not listed in the right category, please feel free to write us and give the reasons for your contention, and we shall be glad to review your case and reconsider your classification.

This year's publication also contains clarification or information on the following: a) our Mission Board and its relationship to the Congo Inland Mission Board and work; b) a more complete listing of our own Conference publications; c) a list of available visual aids materials; d) more complete listing of the General Conference MCC personnel; e) practical information in regard to our Mental Hospitals and the Menno Travel Service; and finally, f) a listing of the sessions of the General Conference.

We send this little booklet on its way hoping that it will perform for you the services you expect of it. We would encourage not only the pastors, but all church officers to keep it ever within reach for ready reference. Your criticisms, comments and corrections will be gladly received.

THE GENERAL CONFERENCE MENNONITE CHURCH

THE CENTRAL OFFICES AT NEWTON, KANSAS

Yesterday

Some years after the General Conference was founded and Mennonite churches in various parts of the country were joining because in this organization they saw the opportunity for the world-wide outreach of Christian service that they were looking for, some Conference leaders became aware of the need for a central office and treasury. Among those leaders was Rev. H. P. Krehbiel who proposed and promoted the central offices plan but did not live to see it established.

After his death his daughter, Mrs. Elva K. Leisy, of Dallas, Texas, was encouraged by Rev. C. E. Krehbiel to deed the building at 722 Main St., Newton, Kansas, to the Conference as the "home" for the Conference and as a memorial to her parents. The central treasury and administrative office was established and in rapid succession the offices of the various Conference boards, publication office, and Women's Missionary Association

were added. This has resulted in more effective service.

Today

On March 23 of this year the building adjoining the central offices on the south was dedicated by the Conference. Here again Mrs. Leisy deeded the building to the Conference, this time on an annuity basis, for the purpose of bringing together in one building the publication office, the bookstore, work room and store—and in close proximity with other conference offices. The building had been remodelled by the conference at a cost of approximately \$12,000 to meet the need.

Tomorrow

With the addition of the 720 Main building to the central offices have come greater opportunities for service to the churches by centering other departments here. Recently it was decided to bring the office of secretary for the Young People's Union into the central offices.

BOARD OF CHRISTIAN SERVICE

The Board of Christian Service work is in the field of relief, hospitals and homes, peace, voluntary service, mutual aid. Much of this work is done in cooperation with other Mennonite groups through Mennonite Central Committee. Certain aspects are done separately as a conference particularly in peace education, mutual aid loans and special help in Mexico and South America. A summary of some major aspects of 1954 work follows. We are deeply grateful to our Lord for what was possible in this aspect of "faith working through love" (Gal. 5:6).

1. Support of MCC work: During 1954 the General Conference averaged \$12,000 a month to MCC for all causes, roughly one-fourth of the total cash MCC received from all groups. To glimpse this MCC work one must visualize 16 countries, the Christian home centers, children's homes, food and clothing distributions, Christmas bundles, youth camps, PAX builders, road builders and agricultural experimenters in South America. In the U.S. we must visualize the work with delinquents, homeless, the mentally ill. In this work our conference had 35 relief workers, 30 in PAX, 50 in longer term VS, 30 in MCC mental hospitals (13 from VS) 20 on other MCC staffs and 70 in MCC Summer Service, U.S. and Canada. (In addition to the 60 in General Conference Summer Service).

2. Winnipeg Peace Study Conference, April,

1954, planned in cooperation with the Canadian Peace Committee was significant in giving us a framework for moving ahead in the future.

3. Youth and Christian Love, a new peace quarterly of our conference, was off to a good start with 1600 copies reaching young people in U.S. and Canada.

4. Mutual Aid increased its loan capital from \$57,000 to \$85,000 by a special drive toward a housing loan fund for conference workers. About 35 other young people were helped in getting a start vocationally.

5. Census of the 1700 young conference men in the U.S. was significant in knowing where we stand on the draft question and how to plan ahead. 46 per cent of our young men took the 1-O position during the last 10 years in contrast to 26 per cent during World War II. Personal mailings are now being made to all 17 and 18 year olds desiring literature.

6. Mennonite Disaster Service, on an inter-Mennonite basis, took strides forward in regional organizations during 1954.

7. Homes for Aged Newsletter was initiated for Homes in our communities. The inter-Mennonite Homes and Hospitals Association also clearly established itself in 1954.

8. A goal of \$100,000 was set late in 1954 for a new loan aid fund for resettlement of our young people in such places as the Columbia Basin.

1. *The Section on Foreign Missions*, which calls, sends out, and supervises the work of missions and of missionaries in foreign mission fields.
2. *The Section on Home Missions*, which calls, sends out, and supervises the work of missions and of missionaries in home mission fields.
3. *The Committee on Church Unity* promotes unity among member churches of the Conference and among branches of Mennonites around the world. It also receives the applications from congregations and conferences for admission into Conference membership.
4. *The Committee on Evangelism* promotes interest in and training for an effective Gospel witness in our churches and mission points at home and abroad.
5. *The Committee on Mission Personnel* promotes interest in and training for full-time Christian service in mission fields at home and abroad.
6. *The Committee on the Ministry* is responsible for promoting a program of recruiting for the ministry, for ministers' scholarships, for counseling in regard to training, for arranging retreats for ministers, and for providing an effective program of placement of ministers.

First and foremost we wish to list the conversions to Christ our Redeemer. In all our fields combined several thousand individual adults have accepted Christ as Lord and Savior. A number of these are in families, which implies that many children now live in Christian homes, and many such children attend Christian schools.

Ways and means to shepherd new Christians in general, and youth in particular, have been added. They include the Christian community centers at Gulfport, Mississippi, and Lame Deer, Montana.

From the teaching angle increased work has been done in nearly all fields, so much that in all our fields combined we have almost 20,000 children and young people in our schools; this includes Bible schools.

In a word, the Lord has prospered the work He has assigned to us. (I Cor. 15:58)

The Board of Missions entered a cooperative arrangement with the Congo Inland Mission 1943. Until that time the Evangelical Mennonite church and the Central Conference had unitedly worked the Congo Inland Mission field. (The Evangelical Mennonite Brethren Conference entered Congo Inland Mission at the same time, that is, in 1943.)

The Congo Inland Mission Board is composed of representatives of all these Mennonite Conferences. Present General Conference Mission Board members on the Congo Inland Mission Board are: Rev. A. E. Kreider, Dr. S. F. Pannabecker, Rev. Lotus Trover, and Rev. John P. Suderman.

Mission candidates from General Conference churches are processed by our own General Conference Board of Missions, and if accepted they are recommended to the Congo Inland Mission. If suitable for a given opening they are sent out by the Congo Inland Mission Board, our conference paying transportation, personal and field allowances, though they work under the Congo Inland Mission Board.

THE BOARD OF EDUCATION AND PUBLICATION

The Board of Education and Publication serves our conference of churches in the field of teaching and training in the Gospel. Since preparation and insight are needed in every field of endeavor for Christ, the work of this Board is fundamental in the total ministry of the church.

The Board works through the following committees and officers:

THE COMMITTEE ON EDUCATION IN CHURCH, HOME, AND COMMUNITY promotes children's work, youth work, leadership training, and retreat work. It has published a booklet on the Christian home, helped to enlarge the scope of our youth work, produced materials for children's work, and sponsored a retreat workshop. This committee maintains the conference connection with the Young People's Union.

THE COMMITTEE ON EDUCATIONAL INSTITUTIONS is responsible for the conference interests in all of our church related schools. Within the scope of its work was the recent correlation of college and seminary curricula.

THE EDITORIAL COMMITTEE plans the editorial policies for all conference publications, Sunday school materials, and children's literature. In conjunction with the Mennonite Publishing House, Scottdale, Pennsylvania, it has developed the objectives and outlines for graded Sunday school and weekday school materials for children. The actual writing on this series will begin soon. In addition to this, the committee has produced a retreat curriculum guide, a book of hymns for men, and a revised catechism handbook.

THE PUBLISHING COMMITTEE handles the production and distribution of our books, periodicals, Sunday school materials, and

all other Christian education aids, through the Mennonite Publication Office and also through our three book stores at Berne, Indiana; Rosthern, Saskatchewan; and Newton, Kansas. The Newton store was recently relocated at 720 Main Street in a completely refurbished setting. Conference printing is done by the Mennonite Press, North Newton, Kansas which is owned jointly by the Board of Education and Publication and Bethel College. About 80 per cent of all printing done at this press comes from the conference.

THE HISTORICAL COMMITTEE collects and preserves valuable material for research and study in the areas of our church's interest. Important historical documents in Europe and America were recently micro-filmed in a continuing program to supply students with adequate research material. This committee supports the historical libraries at Mennonite Biblical Seminary, Bethel College, Bluffton College, Canadian Mennonite Bible College, and Freeman Junior College.

THE VISUAL AIDS COMMITTEE reviews and recommends materials in the area of visual education. It publishes reviews on worthy films in our church paper.

THE RADIO COMMITTEE operates within the organization of our Board, striving to communicate our faith through the medium of radio. It produces a devotional program, "Faith and Life" on KJRG (950 kc), Newton, Kansas, every weekday at 6:45 a.m. and 12:15 p.m.

The administrative work of the Board has been invested in the Executive Secretary's office along with many editorial assignments and the task of promoting the total cause of Christian education and publication.

THE BOARD OF TRUSTEES AND FINANCE

This board is responsible for the business administration of the Conference, its properties, funds, and investments, and for the building and promotion of the Conference budget. The work of this board is assigned to the three following committees:

1. *The Conference Trustees.* These are the legal representatives of the Conference; they are authorized to execute all legal documents for the Conference, and are the custodians of all Conference properties, permanent funds, etc.
2. *The Finance Committee.* This committee is to submit and promote the annual budget; is responsible for the general treasury of the Conference, for the headquarters office, etc.
3. *The Committee on Pensions.* This committee supervises the Conference Pensions-and-aid system.

MEMORIAL GIFTS

1. Memorial Cash Gifts Instead of Flowers

At the time of death of a loved one or friend, many of our people prefer to make a cash gift to some worthy cause rather than give flowers.

2. To Simplify Making a Such Gift—

the Conference has prepared Memorial Gift folders which you can get from your pastor or by writing to Conference Headquarters, Newton, Kansas.

WHEN GIVING TO THE OVERALL BUDGET OF THE CONFERENCE

Some contributors send their gifts to the Conference offices with the request that they be divided proportionately among the four boards.

Based on a \$10 gift, the office uses the following formula in dividing such gifts:

Conference Mission Work.....	\$ 7.00
Christian Service	2.06
Education and Publication.....	.65
Trustees and Finance.....	.18
Radio Subsidy11

\$10.00

This formula meets the wishes of those who prefer to give heavily to missions, and adequately to all other Conference causes, and at the same time it helps to meet the needs of each of the four Conference Boards.

ARE YOU MAKING YOUR WILL?

If so, remember that a bequest in a will is a way to be sure that something of your estate is left to the General Conference.

A bequest in your will can be either in cash, bonds, or property. And you can be sure that funds will be used for the purpose that you have chosen.

Some people say that they always intended to do something about making a will, but they are not sure how to go about it. In that case we suggest that you see a lawyer who will advise you and draw up the will just as you want it to be. Also, you may write or come to us for suggestions that may be helpful.

If you wish to give cash to the Conference by means of a bequest, the following statement or something similar should be included in your will:

"I give and bequeath to the General Conference Mennonite Church, incorporated under the laws of the State of Kansas, with headquarters at 722 Main Street, Newton, Kansas, the sum of dollars."

If you wish to give property to the Conference, the following statement or something similar should be included in your will:

"I give and devise to the General Conference Mennonite Church, incorporated under the laws of the State of Kansas, with headquarters at 722 Main Street, Newton, Kansas, the following property, to wit:....."
